

RECOMMENDATION FOR DRAFTING RESEARCH FOR PUBLICATION IN ROMANIAN JOURNAL OF PHYSICAL THERAPY

Each manuscript submitted to RJPT must be accompanied by a **cover letter**. The cover letter should contain a brief explanation regarding the importance of the paper and why the content of the manuscript suits the scope of the journal.

The author/authors should confirm in the cover letter that neither the manuscript nor any parts of it are currently under consideration or published in another journal.

Also, the cover letter should mention the contact information for the corresponding author (affiliation, email address).

The principles underlying the drafting work ethics, rules, norms and practices ethical and aesthetic. To achieve uniform appearance and to ensure outfit scientific journal articles, the editorial team recommended magazine contributors consider aspects will be presented.

Drafting articles generally comply with recommendations made by the International Committee of Editors of Medical Journals (www.icmje.org).

The full papers will be prepared entirely in English.

The paper will have 4-8 pages, including illustrations, tables and graphs. It will be processed with spaces for one row, justified, written in Office Word, Calibri, font 12, format A4, with borders: top 2 cm, bottom 2 cm, left/inside 2 cm, right/outside 2cm.

The **abstract** should be a single paragraph of no more than 300 words and should give a relevant overview of the manuscript. It is indicated that authors to use the following section in structuring the abstract: introduction, methods and materials, results, discussion and conclusions.

Editorial team of collaborators recommends the following structure of the manuscript: pages will be numbered centrally below in the following order:

- page 1 - title, font 14, aligned to the left; name and surname of the authors, Calibri, font 12, italic, vaulted, italic, aligned to the right. Author's affiliation will be written in footnote (¹, ²) in the bottom of the page;
- page 2 - abstract and keywords;
- following pages - text of the paper, including illustrations, tables, graphs;
- last pages – References using APA Citation Format (<https://apastyle.apa.org/style-grammar-guidelines/references/examples>).

The work must meet the requirements of scientific standards and format for researchers.

Depending on the recipients work, protocol differs significantly, with an academic character, the popular, scientific or informal.
